I. PRODUCT DESCRIPTION

Product description

This Product offers the Investor a periodic opportunity to receive a Conditional Coupon Amount (with memory effect). In addition, the Product can also be early redeemed if the relevant conditions are met on any of the pre-defined Autocall Observation Dates. If no Early Redemption and no Barrier Event have occurred, the Investor will receive on the Redemption Date a Cash Settlement equal to the Issue Price. If a Barrier Event has occurred, the redemption of the Product will depend on the value of the Underlying with the Worst Performance, as described in section "Redemption".

If any of the above-mentioned Autocall/Coupon Observation Dates is not an Exchange Business Day for an Underlying, the next following Exchange Business Day for that Underlying shall be the respective Autocall/Coupon Observation Date. If any of the above-mentioned Early Redemption or Coupon Payment Dates is not a Business Day, the next following Business Day will apply. For the avoidance of doubt, a Coupon Payment Date will never be later than the Early Redemption Date.

REDEMPTION

Provided that no Early Redemption has occurred on one of the previous Autocall Observation Dates, the Investor is entitled to receive the Conditional Coupon Amount(s) on the relevant Coupon Payment Date(s), subject to the Conditional Coupon Amount provisions.

Provided that no Early Redemption has occurred on one of the pre-defined Autocall Observation Dates, the Investor is entitled to receive from the Issuer on the Redemption Date per Product:

Scenario 1 If a Barrier Event has NOT occurred, the Investor will receive a Cash Settlement in the Settlement Currency equal to: Issue Price

Scenario 2 If a Barrier Event has occurred, the Investor will receive a Cash Settlement in the Settlement Currency according to the following formula:
Issue Price × Worst Performance

Initial Fixing Level Official close of the respective Underlying on the Initial Fixing Date on the Related Exchange, as determined by the Calculation Agent.

Final Fixing Level Official close of the respective Underlying on the Final Fixing Date on the Related Exchange, as determined by the Calculation Agent.

Worst Performance	For each Underlying the performance is calculated by dividing its Final Fixing Level by the respective Initial Fixing Level. The Worst Performance corresponds to the lowest of all so calculated values, as determined by the Calculation Agent.
Barrier Event	A Barrier Event shall be deemed to occur if at least one of the Underlyings' Final Fixing Levels is below the respective Barrier Level, as reasonably determined by the Calculation Agent.
Early Redemption	Provided that on one of the pre-defined Autocall Observation Dates the official close of all Underlyings is at or above their Autocall Trigger Level an Early Redemption will occur and the Product will expire immediately. The Investor will receive on the relevant Early Redemption Date a Cash Settlement which equals the Issue Price. No further payments will be made.
Coupon Trigger Event	A Coupon Trigger Event shall be deemed to occur, if on any Coupon Observation Date all Underlyings close above their respective Coupon Trigger Level, as reasonably determined by the Calculation Agent.

TAXATION

Investors and prospective Investors are advised to consult with their tax advisers with respect to the tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to FATCA (Foreign Account Tax Compliance Act)

Any payment under this Product may be subject to withholding tax (such as, inter alia, withholding related to FATCA or 871(m) of the US Tax Code). Any payments due under this Product are net of such tax. If an amount in respect of Section 871(m) of the U.S. Tax Code were to be deducted or withheld from interest, principal or other payments on the Products, none of the Issuer, any Paying Agent or any other person would be required to pay additional amounts as a result of the deduction or withholding of such tax, i.e. the Investor would receive a significant lower amount than he would have received without such deduction or withholding.

PRODUCT DOCUMENTATION

The Termsheet which will be available no later than on the Issue Date, as well as the Final Termsheet include the information required for a definitive simplified prospectus pursuant to article 5 the Collective Investment Schemes Act ("CISA"), as such article was in effect immediately prior to the entry into effect of the Swiss Financial Services Act ("FinSA"), but not a prospectus pursuant to article 40 of the FinSA or article 1156 of the Swiss Code of Obligations. No basic information document according to article 60 of the FinSA or any equivalent document under the FinSA has been or will be prepared in relation to the Products. No prospectus has been reviewed or approved by a Swiss review body pursuant to article 52 FinSA, and the documentation prepared in relation to the Products may not comply with the disclosure requirements applicable to a prospectus approved by such a review body under the FinSA. For investors in the EEA: A base prospectus approved by the relevant competent authority and passported to relevant host member states allows the public offer of the Product in certain member states. Potential investors should read the Base Prospectus, as supplemented from time to time and the final terms before subscribing to the Product. This document contains a summary of information of the Product and is for information purposes only. Only the Final Terms together with the respective Base Prospectus, as supplemented from time to time,

as well as a possible summary of the individual issue form the documentation of the Product (the "Product Documentation"); therefore the Final Terms should always be read together with the Base Prospectus as well as a possible summary of the individual issue.

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions. Notices to investors in Switzerland relating to the Issuing Parties will be published under the section "About Leonteq" on www.leonteq.com and/or on the web page of the respective Issuing Party.

Insofar as this publication contains information relating to a Packaged Retail and Insurance-based Investment Product (PRIIP), a Key Information Document in accordance with Regulation (EU) No 1286/2014 (PRIIPs Regulation) is available and can be obtained from www.priipkidportal.com.

During the whole term of this Product, the Product Documentation is available in electronic form on the website indicated in the Final Terms and can be ordered free of charge at Leonteq Securities AG, Europaallee 39, 8004 Zurich, Switzerland, via telephone (+41 58 800 1111*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com).

II. PROSPECTS FOR PROFIT AND LOSS

This Product falls within the category "Yield Enhancement" which means that there is an upper limit to the profit an Investor can realize with this Product. At redemption the Investor could receive a maximum amount corresponding to the invested capital (excluding any transaction or other costs) plus any additional (guaranteed and/or conditional) payments such as coupon or participation payments, bonuses or others.

On the downside, especially if the Product has forfeited any contingent capital protection (like e.g. a barrier, strike), the Investor is exposed to the development of the Underlying(s). This might (even if a stop loss event has occurred) lead to a partial or even a total loss of the investment.

Please refer to the sections "Product Description" and "Redemption" for more detailed information on the characteristics of this Product.

III. SIGNIFICANT RISKS

RISK FACTORS RELATING TO THE PRODUCT

The risk of loss related to this Product is similar to an investment in the worst performing Underlying. Therefore, the Investor could lose the total capital invested if the Barrier Event has occurred and if the value of the Underlying with the Worst Performance falls to zero.

ADDITIONAL RISK FACTORS

Prospective Investors should ensure that they understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and also see the information on risks contained in the Product Documentation.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for the portfolio of the investor taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the respective Final Terms.

Investors whose usual currency is not the currency in which the Product is redeemed should be aware of their possible currency risk.

The value of the Product may not correlate with the value of the Underlying(s).

Market Risks

The general market performance of securities is dependent, in particular, on the development of the capital markets which, for their part, are influenced by the general global economic situation as well as by the economic and political framework conditions in the respective countries (so-called market risk). Changes to market prices such as interest rates, commodity prices or corresponding volatilities may have a negative effect on the valuation of the Underlying(s) or the Product. There is also the risk of market disruptions (such as trading or stock market interruptions or discontinuation of trading) or other unforeseeable occurrences concerning the respective Underlyings and/or their stock exchanges or markets taking place during the term or upon maturity of the Products. Such occurrences can have an effect on the time of redemption and/or on the value of the Products.

No dividend payment

This Product does not confer any claim to receive rights and/or payments of the underlying, such as dividend payments, unless explicitly stated herein, and therefore, without prejudice to any coupon or dividend payments provided for in this Termsheet, does not yield any current income. This means that potential losses in value of the Product cannot be compensated by other income.

Credit Risk of Issuing Parties

Investors bear the credit risk of the Issuing Parties of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuing Party and rank *pari passu* with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuing Party. The insolvency of an Issuing Party may lead to a partial or total loss of the invested capital.

Secondary Market

The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, will, under normal market conditions, provide bid and offer prices for the Products on a regular basis. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.

Illiquidity Risk

One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or

dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.
